Summary

Technical lead and hands-on engineer with 10+ years delivering cloud-native and GenAI systems on AWS across aviation, public sector, and financial services. Leads architecture and delivery while mentoring engineers and still shipping production software.

Experience

Accenture — 2021–Present

Custom Software Engineering Associate Manager · Singapore

Technical Lead – Aviation — 2024 – Present

- Led architecture and delivery of enterprise serverless and generative AI apps on AWS (Lambda, AppSync, CDK, DynamoDB, Bedrock, SageMaker)
- Drove technical strategy from aviation requirements to production systems (LLM document classification, RFID, wayfinding, e-commerce)
- Primary engineering–business liaison; mentored engineers and ran code reviews

Site Reliability Engineer – Public Services — 2022 – 2024

- Designed and deployed an enterprise chatbot that cut service-request processing time by 65–70%
- Built monitoring/alerting and hardened security across multi-tier platforms

Earlier: FinServ (Django APIs, FinTech Festival 2022) · Healthcare (SSRS/SSIS, 99.9% uptime)

Whale Cloud — 2019–2021

Software Delivery Engineer · Singapore

- Delivered Alibaba Cloud BI solutions (Dataphin, DataWorks, QuickBI, DataV); invited as DataV SME for technical sharing
- Led UAT/QA with zero post-release defects; ran POCs as technical product manager

Earlier

Veev Interactive · Junior Software Developer · 2017–2018 — interactive e-learning (JS, Articulate, Adobe)
Singapore Police Force · PTSC Officer · 2014–2016 — National Service; led public-transport security patrols
Hitachi · Research Intern · 2013 — Singapore & Yokohama (taxi sim, big-data graph viz)

Education

The University of Queensland — 2018
Bachelor of Information Technology with a Major in Software Information Systems · Brisbane, Australia

Singapore Management University — 2016–2017
Bachelor of Science (Information Systems) · Singapore

Temasek Polytechnic — 2011–2014
Diploma in Information Technology · Singapore

Skills

Languages
TypeScript · Python · JavaScript · Java · C# · SQL

AWS
Lambda · AppSync · CDK · DynamoDB · Amplify · Bedrock · Q · SNS · SQS · Cognito · CloudWatch

Alibaba Cloud
Dataphin · DataWorks · QuickBI · DataV

Backend
Django · GraphQL · REST APIs · Serverless

DevOps
Terraform · Docker · CI/CD · Git · Linux

AI
Generative AI · LLM Integration · AI Agents · Prompt Engineering

Management
Agile/Scrum · Technical Leadership · Project Delivery

Certifications

AWS Certified Developer – Associate	2026
AWS Certified AI Practitioner	2025
HashiCorp Certified: Terraform Associate (003)	2024
Databricks Certified Data Engineer Associate	2024
Cloud Digital Leader	2023
Certified Scrum Product Owner® (CSPO®)	2022
AWS Certified Cloud Practitioner	2022
Certified System Architect (CSA)	2021
ITIL® Foundation Certificate in IT Service Management	2021
Certified ScrumMaster® (CSM®)	2021
Alibaba Cloud Professional - Cloud Computing	2019
Alibaba Cloud Associate - Cloud Computing	2019
